FOLD & MAIL

I, the undersigned, voluntarily submit this Application for Membership in the above Local Union, affiliated with the International Brotherhood of Teamsters, so that I may participate in the activities of the Union. I understand that by becoming and remaining a member of the Union, I will be entitled to attend membership meetings, participate in the development of contract proposals, vote to ratify or reject collective bargaining agreements, run for Union office and support candidates of my choice, receive Union publications and take advantage of programs available only to Union members. I understand that only as a member of the Union will I be able to determine the course the Union takes to represent me in negotiations to improve my wages, fringe benefits and working conditions. I understand that the Union's strength and ability to represent my interests depends upon my exercising my right, as guaranteed by federal law, to join the Union and engage in collective activities with my fellow workers.

If admitted to membership, I agree to abide by the Constitution of the International Union and the Local's Bylaws. I accept and assume the following obligation: I pledge to faithfully observe the Constitution of the International Union. I pledge that I will comply with all the rules and regulations of the International Union and this Local Union. I will faithfully perform all the duties assigned to me to the best of my ability and skill. I will conduct myself at all times in a manner so as not to bring reproach upon my Union. I will take an affirmative role in the activities of the Union and accept and discharge my responsibilities during any authorized strike or lockout. I will never discriminate against a fellow worker on account of race, color, creed, sex, age, national origin, sexual orientation or physical handicap. I will at all times bear true and faithful allegiance to the International Union and this Local Union.

I understand that under current law I may elect nonmember status to satisfy any contractual obligation necessary to retain my employment by paying an amount equal to the uniform dues and initiation fee required of members of the Union. I also understand, however, that as a non-member, I may object to paying full dues and fees and pay only that portion germane to collective bargaining, contract administration and grievance adjustment. To help me decide whether to object to paying the full amount, I may request the Local Union provide me with information concerning its most recent calculation of expenditures on activities that are germane to its performance as the collective bargaining representative. I understand that I have the right to challenge the accuracy of the Union's determination of its expenses that are germane to its role. The procedure for filing challenges will be provided by the Union, upon request.

I have read and understand the options available to me and submit this application to be admitted as a member of the Local Union.
